FCAT 2019 AWARDS

The RTVE jury grants the following award:

“Griot of Winds” to Interculturality RTVE Award

To the fiction or documentary full-length movie which best showcases the importance of intercultural relationships and diversity.

This award consists in broadcasting the film through the channels of Televisión Española (RTVE), provided that both the film’s quality and contents will be suitable and the channels’ programming requirements will make it possible. The author or the authors of the winning film will transfer their total or partial rights of the film’s public communication and reproduction to the RTVE Corporation, in order to allow the film to be disseminated via the RTVE television channels, without the possibility of transferring the rights to any third party during one year from the first broadcast.
